

# METHACTON APEX AWARDS

Climbing Higher Together

The Methacton Education Foundation is proud to announce the 4th Annual Apex Awards Dinner on November 16th at John James Audubon Center at Mill Grove, with special guest Bob Kelly from Fox 29 as the host.

The focus of this cocktail party is to honor Methacton alumni, educators, community members, and businesses who have achieved distinction, outstanding accomplishment, or made significant contributions within their professions and the Methacton community.

This event will showcase positive role models and promote excellence and inspiration for current students while raising awareness and funding for the Foundation. Proceeds from the event will be used to fund Foundation grants for supporting STEM, programs that benefit economically disadvantaged students, career readiness, and student wellness.

## WHAT IS THE METHACTON EDUCATION FOUNDATION?

The Methacton Education Foundation is an independent 501(c)(3) nonprofit organization. The Methacton Education Foundation has proudly helped fund the innovative proposals of Methacton staff since 2009. This has led to transformative programming at every grade level. We have supported innovative educational programs and enriching student learning throughout the district!

***Through funding, we fuel creative programs. Primary focus areas include, but are not limited to:***

- ***STEM (Science, Technology, Engineering, and Math)***
- ***Programs that Benefit Economically Disadvantaged Students***
- ***Career Readiness***
- ***Student Wellness***

The Methacton Education Foundation is an independent 501(c)3 raising private dollars to fund innovative educational programs that exceed the district's budget.
